CELEBRATING 20 YEARS SHAFF.

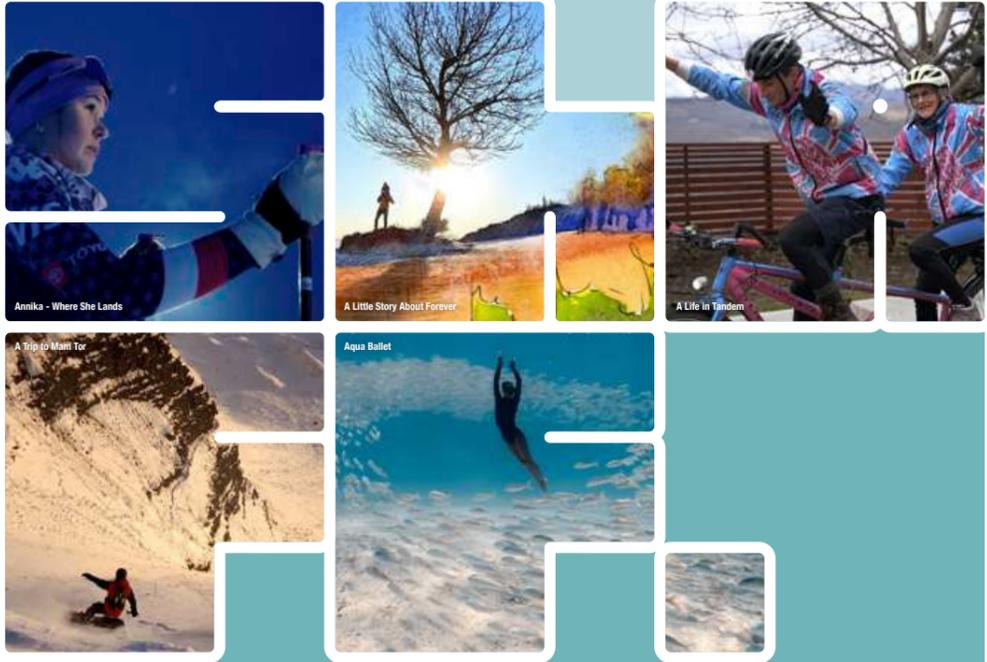

SHEFFIELD ADVENTURE FILM FESTIVAL

20TH-22ND MARCH '26

FRIENDS OF SHAFF

ShAFF has a growing Friends Of The Festival platform where you can donate a small monthly amount (from £2.50) in return for discounts, goodies and personalised itineraries. This helps pay for the day to day costs of running the festival as well as enabling us to tour an amazing programme of films to the area's schools, inspiring youngsters to respect and ultimately protect the outdoors. To date we have spoken directly to over 2,500 Sheffield & Peak District students! *Find out more at www.patreon.com/shaff*

A VERY SPECIAL THANKS TO ALL OF OUR VOLUNTEERS, WITHOUT WHOM THIS FESTIVAL WOULD NOT BE POSSIBLE.

100 epic films, 5 big screens, 1 awesome weekend!

THE WORLD'S BEST ADVENTURE FILMS. ONE EPIC WEEKEND!

King of Chaos

Welcome to ShAFF 2026!

Each year, we receive hundreds of submissions from filmmakers around the world, and curate the very best into a jam-packed series of screenings right here in The Outdoor City. Most show several shorter films together, but we always hand-pick some incredible feature-length films to show too. Climbing, biking, mountaineering, running, surfing, skiing, wild swimming or simply an extraordinary adventure – whatever it is you daydream about at work, there's a ShAFF session for you.

THE BUZZ CONTINUES AT THE OUTPOST

Beyond the cinema screen, we have a whole programme of free festival experiences: panels, talks, creative events, kit swaps, guided runs and a whole lot more. Plus, join us on Saturday night for a very special 20th birthday party alongside filmmakers, athletes and people who love the outdoors just as much as you do – everyone's invited.

'HOW TO' GUIDE

With over 100 films and adventure experiences at this year's festival, here are some tips to help you get stuck in.

We group films into themed screenings lasting around 90 mins, some of which are repeated across the weekend, so you don't miss out.

In between screenings, you can dip into experiences, talks and more, from the Petzl Quiz Jam to our 20th birthday party. If that's not enough, check out Adventure Bites – our never-ending loop of the best short films from the festival – or grab a refreshment at the bar.

JUDGES & AWARDS

2026 will see the films introduced by our judges Paul Hodgson, Jimmy Hyland, Hannah Maia-Taylor & Simon Taylor.

They will award gold, silver and bronze across the following categories:

Best Film | **Best Climbing Film** | **Best Short Film**
Best Spirit Of Adventure | **Best Soundtrack**
Best Biking Film | **Best Running Film**
Best Film Made In Sheffield
Best Activism Film | **Best Water Film**

The awards will be announced early March. You can find a full description of the judging process on the festival website.

LOW CARBON ADVENTURE

Bring your old outdoor kit along to the Alpkit Kit Swap.	Book onto our free talks and panels on low carbon adventure.
Have kit that needs mending? Rab and Patagonia will be on site making repairs.	Partake in our workshops and talks with Sheffield Clothing Repair.

This year ShAFF will screen our Adventure Bites in accessible formats for deaf and blind / partially sighted audiences, with open captions and audio described. This one hour loop of films will play all weekend, one hour with AD and OC, then one hour without. In collaboration with Lauren Bean, John Churcher and Danielle Sellwood.
